

Hello!

We have had a **FANTASTIC** week! The children have done a **wonderful job** coming into the classroom **quietly** and "signing in" then going to their seats. It has been another week of learning rules and procedures along with school work.

Each morning we have **circle time** where we have a **Bible lesson**, **sing songs**, **learn numbers**, **shapes** and **letters**. It is a time of **lots of fun!**

Every two weeks we will learn a new Bible verse. This week the verse is Genesis 1:1...."In the beginning God created the Heavens and the earth." Please practice this verse at home with your child and ask what they talked about during Bible time. They love to share about what they have learned each day!!

This week we have learned the **number "1" and the letter "Aa"**. We talked about the **sound of the letter "Aa"** and learned words that begin with that letter. We made an **"Alexander Alligator" finger puppet and an "Amber Lamb" puppet**. We practiced making lines which will help with handwriting skills. We count each morning, say the alphabet, and go over shapes and colors.

We have had lots of different **snacks** this week. We have had **oreo cookies**, **apple slices**, **animal crackers**, **yogurt**, and **jello** with **apple juice** or water. Each child has had the opportunity to be a **classroom helper** and they have done a superb job learning each **responsibility!** We have talked about being **special helpers** at home and learned that each child is a **GREAT** special helper at home. Some help wash dishes, some clean up toys, some help their siblings clean up, and one even sets the table at dinner time! That is great!

Again we thank you for the opportunity to serve you by teaching your child! Please let us know if you have any questions or concerns at anytime!

Blessings,

Mrs. Ravi and Mrs. Kossol
