## WEEK OF SEPTEMBER 6-10

We already have our first school holiday! These children are doing so well in the mornings getting unpacked and settled before the academic day begins. I am so proud of them. Thank you for helping to promote that atmosphere in the classroom. This year, if your child has a birthday you are welcome to drop off a special treat in the morning and we will celebrate during some free time. The lunch room will no longer manage birthday celebrations. You are of course welcome at (11:45) to eat with your child. Also, the computer lab is open every morning, except Monday, from 8:00-8:15 for AR testing. It is important that any testing child still arrive in the their classroom by 8:20. QSP sales have begun. It is our biggest fundraiser. Encourage on-line ordering. Also, look for box tops in the pantry. This class has brought in so many already. Great job! Even though this is a short week coming up, we will still have all scheduled Friday tests. Use that free time for a little study time on spelling, vocab, and the Bible verse. Have a safe and restful holiday

September Birthdays

Blessings,  
Mrs. McGill

Mrs. McGill 27th

### IMPORTANT REMINDER

Early dismissals between 2:00 and the regular dismissal times are not permitted this year. This is for your child's safety. Please have them dismissed at 1:55 if necessary for appointments.

### MATH/SCIENCE FOR WEEK OF SEPT. 6

We have been practicing how to clearly write our digits in math all week. This coming week we will add one and zero to numbers 1-5 and start to write addition facts. Drill these simple math facts with flash cards at home: 2+2; 3+2; 4+1; 4+0; 5+0; 5+1. In Science we are beginning to learn about living and non-living things. We will look at plants as living things. It's great that we have two in the room so we can see them grow!

### SPELLING WORDS FOR WEEK OF SEPT 6

- |          |          |           |
|----------|----------|-----------|
| 1. cake  | 6. grape | *11. give |

| 4. size  | 9. pile  |           |
| 5. ate   | 10. rake |           |

### UPCOMING EVENTS

Sept. 6 Labor Day- No School

Sept. 23 Picture Day (K-2)

### Bible Corner

This past week we have discussed the beginning of mankind and the beautiful life God intended for us. We learned that Adam and Eve's choice to sin led to a life that eventually causes our bodies to die. However God sent Jesus to die for our sins, so we can experience eternal life with Him. Our Bible verse for the week is John 8:12 "I am the light of the world. Whoever follows me will not walk in darkness."

### READING VOCABULARY WORDS

"Quack"

<b>what</b>	Mack	sack	tan
<b>your</b>	they	pack(s)	back
<b>that</b>	quack	moving	
<b>on</b>	van	Jack
