

## Summer Music Notes

We have had an amazing year in music. The students have learned, grown, and excelled as musicians. I love to see their bright, shining, faces on program night. They work so hard to prepare and present their programs to the glory of Christ!

I pray that you and your family have a wonderful summer full of exciting and new things. Encourage your child to listen to a variety of music. Private music lessons are a great avenue for children to continue to grow. If you have any questions, please let me know.

I love the following site: [www.classicsforkids.com](http://www.classicsforkids.com). On this site you will find a wide array of musical activities for your child. God bless you.
