HEADLINE NEWS

WEEK OF SEPTEMBER 6

The students seem to be adjusting nicely to 1st grade and to our routine. They are realizing it is a lot of work. We are working on our listening and following direction skills. They are a wonderful group of children. You should be proud of them. Please remember that even though they may only have written homework once a week, they do need to study their spelling words, reading vocabulary, and math facts each night. This will really help them with their class work. We have started taking AR tests on our leveled books that go with our reading program. If anyone has read an AR book at home, I will make sure that they get to test on that book also. The computer lab is open each morning except Mon. from 8:00 – 8:15 if you would like to use it to take an AR test. This week we have been reading the books in the If You Give a Mouse a Cookie series. The children have really enjoyed these stories. Check out their own mouse on our wall. Our Bible verse for the week is found in **John 8:12. I am the light of the world. Who-ever follows me will not walk in darkness.** Have a great long weekend.

MATH FACTS FOR THE WEEK

1+0= 2+0= 3+0= 4+0= 5+0= 2+1= 3+1=
4+1= 2+2= 3+2=

Sums to 5. Counting to 30. Counting pennies.

Identify missing addend. Find number that comes after another number.
